

# PARTNER WITH US TO CLOSE THE JUSTICE GAP

Please join the growing list of firms that have stepped forward to protect the District's legal services network through the Access to Justice Commission's Raising the Bar in D.C. Campaign. The Campaign, which has been endorsed by the D.C. Bar and the D.C. Bar Foundation, urges all District firms, regardless of size, to donate a percentage of their D.C. office revenue to D.C. legal services providers. Twenty-two firms have already pledged to provide these urgently-needed funds in 2011. District firms share a long tradition of helping those most in need in our community. That commitment is needed now more than ever.
