

Partner with Us to Close the Justice Gap

Please join us in protecting the District's fragile legal services network. Together with the D.C. Access to Justice Commission, we are launching *Raising the Bar in D.C.: A Funding Campaign for Legal Services*. The Campaign, which has been endorsed by the D.C. Bar and the D.C. Bar Foundation, urges all District firms, regardless of size, to pledge a percentage of their D.C. office revenue to D.C. legal services organizations annually. These funds are urgently needed. As lawyers, we share a unique obligation to ensure access to justice for all in our community. As District firms, we share a long tradition of stepping up to help those most in need. Our commitment is needed now more than ever.
